

Beyond Limits provides policies and procedures to promote safe and consistent practice across the Organisation. The framework laid down within our policies and procedures lets everyone know how we work and reflects our values and mission statement. Our policies and procedures are written to help us, employees of Beyond Limits, to make good, safe decisions.

Beyond Limits expects all employees to be familiar with the contents of all policies and procedures relevant to their role and to understand how to apply them within their daily work.

None of these documents stand alone, all fit within the larger framework of how we work and any associated policies which are particularly relevant will be directly referenced.
